As the professional orchestra-in-residence at Tulsa Community College, Signature Symphony must follow all TCC policies. TCC will only be hiring Oklahoma residents at this time for these positions. All audition rounds will be held behind a screen. Winning candidates must be hired as part-time employees of TCC and are required to show proof of eligibility to work in the United States, prove Oklahoma residency, and pass a background check.

Per-service pay for the 2023-2024 season was \$85 per service for section and \$106.25 for principal. Approximately 23 full orchestra services are planned for the 2024-2025 season, with 2 services for the annual "4<sup>th</sup> on the 3<sup>rd</sup>" concert each July, as well as additional opportunities available throughout the year. Signature Symphony does not provide housing for musicians that live outside the Tulsa area.
