As the professional orchestra-in-residence at Tulsa Community College, Signature Symphony must follow all TCC policies. TCC will only be hiring Oklahoma residents or those who plan to establish Oklahoma residency by September 1, 2026, for these positions at this time. All audition rounds will be held behind a screen. Winning candidates are hired as part-time employees of TCC and must show proof of eligibility to work in the United States, prove Oklahoma residency, and pass a background check.

Per-service pay for the 2025-2026 season was \$94 per service for section, \$117.50 for principal, and \$188 for concertmaster. Approximately 23 full-orchestra services are planned for the 2026-2027 season, including 2 for the annual patriotic concert each July. Additional education and community engagement opportunities will be available to interested musicians throughout the year. Signature Symphony does not provide housing for musicians living outside Tulsa. Mileage payments are available to a maximum of \$29 per round trip.
