SUBSTITUTE RESOLUTION 3-26

Submitted for approval by the membership

WHEREAS, the 2026 AFM Convention enacted increases in the per-capita dues paid by locals to the AFM applicable to each of the next three calendar years; and

WHEREAS, those increases were not automatically passed-through to members' annual dues; and

WHEREAS, to absorb those increases without corresponding increases in members' annual dues would drain the local's financial resources at an increasingly rapid rate;

THEREFORE, the Executive Board proposes that the following proposed Exhibit A be substituted for the current Exhibit A upon approval of the substitution by a secret ballot vote of those attending the December 1, 2026, special membership meeting of Local 94.
